CANI's Responsibility

CANI takes all reasonable steps to prevent the occurrence of malpractice or maladministration in the delivery of qualifications which it makes available or proposes to make available.

Centre staff, providers, tutors, assessors and learners involved in the management, delivery, assessment and quality assurance of BCAB qualifications should be fully aware of the:

- [British Canoeing Awarding Body Malpractice and Maladministration Policy](#)
- CANI Malpractice and Maladministration Policy (this policy)

Through monitoring and periodic sampling reviews, CANI will prevent and/or investigate instances of malpractice and maladministration.

If we suspect/investigate a suspected or actual malpractice/maladministration case, the Course Provider/Tutor/Assessor/Learner will:

- Respond quickly and openly to all requests relating to the allegation and investigation.
- Cooperate and make sure staff cooperate fully with any investigation and requests for information.

The CANI Responsible Officer will:

- Immediately inform BCAB that a malpractice/maladministration investigation is being carried out.

Reporting

Anyone who identifies or becomes aware of suspected or actual cases of malpractice or maladministration must immediately notify CANI by emailing Rodger Hamilton, Head of Operations rodgerhamilton@cani.org.uk

All emails must include (if possible):

- Provider/ Assessor/ Tutor's name, address and membership number
- Learner's name (if appropriate)
- Centre personnel's details (name, job role) if they are involved
- Details of the BCAB course/qualification affected or nature of the service affected
- Nature of the suspected or actual malpractice/maladministration and associated dates

Anyone submitting a Malpractice or Maladministration email will receive acknowledgement within 5 working days.

Confidentiality and Whistleblowing

A person making an allegation of malpractice or maladministration may want to remain anonymous.

Although it is preferable to reveal your identity and contact details to us, if you are concerned about possible adverse consequences, you may ask us not to divulge your identity. CANI confirms we are not obliged (as recommended by the BCAB) to disclose information if this would be a breach of confidentiality or other legal duty.

Please refer to the [CANI Whistleblowing Policy](#) for further details on how we manage such cases.

CANI's Approach to Reports

In accordance with regulatory requirements, we will promptly investigate all suspected cases of maladministration or malpractice to establish if either has occurred. We will take all reasonable steps to prevent any adverse effect from occurring as defined by the BCAB.

Note: An adverse effect is any act, omission, event, incident or circumstance that prejudices Learners; affects public confidence in qualifications; affects the standards of qualifications which the awarding organisation makes available; or affects the ability of the awarding organisation to undertake the development, delivery or award of qualifications in accordance with the Conditions.

We will appoint a relevant person to lead the investigation and they will be responsible for making sure the investigation is carried out efficiently, effectively and in accordance with the procedures in this policy. They will work to establish if malpractice or maladministration has occurred and review all evidence associated with the case. At all times, we will make sure any personnel assigned to the investigation have:

- The appropriate level of training and competence
- No previous involvement or personal interest in the matter

Notifying relevant parties

We will notify the British Canoeing Awarding Body Responsible Officer that we will be investigating the matter.

In cases of Learner malpractice, we may ask the Tutor/Assessor/Provider to investigate in liaison with our personnel.

We may withhold details of the person reporting the suspicions to avoid a breach in our duty of confidentiality or other legal duty.

If the suspicion may affect another Delivery Centre and their provision, we will also inform them in accordance with existing BCAB requirements.

Investigation process

We will conduct all investigations in a fair, reasonable and legal manner, making sure we consider all relevant evidence without bias. Investigations may include:

- Establishing the facts relating to the allegations in order to determine whether irregularities have occurred.
- Identifying the cause of the irregularities and those involved.
- Establishing the scale of the irregularities.
- Evaluating any action already taken by the Tutor, Assessor, Provider or staff member.
- Determining whether remedial action is required to reduce the risk to current registered Learners and to preserve the integrity of the qualification.
- Ascertaining whether any action is required in respect of certificates already issued.
- Obtaining clear evidence to support any sanctions to be applied to the Assessor, Tutor, Provider or Learner, and/or to members of staff, in accordance with [CANI Sanctions Policy](#).
- Identifying any adverse patterns or trends.

The investigation may involve a request for further information from relevant parties and interviews with personnel involved in the investigation.

We will:

- Make sure all material collected as part of an investigation is kept secure.
- Retain all records and original documentation concerning a completed investigation that ultimately leads to sanctions for at least three years. If an investigation leads to invalidation of certificates, criminal or civil prosecution, all records and original documentation relating to the case will be retained until the case and any appeals have been heard and for a further three years.
- Expect all parties, who are either directly or indirectly involved in the investigation, to fully cooperate with us.

At any time during the investigation, we reserve the right to impose sanctions on the Assessor, Tutor, Provider, Learner and/ or staff member in accordance with CANI Sanctions Policy to protect the interests of Learners and the integrity of the qualifications.

If appropriate, we may find that the complexity of a case or a lack of cooperation from a party means that we are unable to complete an investigation. In such circumstances, we will consult with British Canoeing Awarding Body in order to determine how best to progress the matter.

If a member of our staff is under investigation, this will be conducted as part of the CANI Disciplinary Policy.

Throughout the investigation, the appointed person is responsible for overseeing the work of the investigation team:

- To make sure due process is being followed
- To make sure appropriate evidence has been gathered and reviewed
- For liaising with relevant external parties and keeping them informed

Report

On completion of an investigation, we will produce a summary of the findings and outcomes which will be sent to the parties concerned. The summary will:

- Identify where the breach, if any, occurred
- Confirm the facts of the case
- Identify who is responsible for the breach (if any)
- Confirm an appropriate level of remedial action and/or any sanctions to be applied.

If it was an independent/third party that notified us of the suspected or actual case of malpractice, we will also inform them of the investigation outcome – normally within 20 working days of making our decision – in doing so, we may withhold some details if disclosing such information would breach a duty of confidentiality or any other legal duty.

If the investigation is internal, relating to a member of staff, the investigation summary will be agreed by the CANI Board and appropriate internal disciplinary procedures will be implemented.

Outcomes

If the investigation confirms malpractice or maladministration has taken place, we will consider what action to take in order to:

- Minimise the risk to the integrity of certification now and in the future
- Maintain public confidence in the delivery and awarding of qualifications
- Discourage others from carrying out similar instances of malpractice or maladministration
- Ensure there has been no gain from compromising our standards

The action we take may include:

- Imposing actions in relation to Assessor, Tutor, Provider, Learner and/ or staff member with specified deadlines in order to address the instance of malpractice/maladministration and to prevent it from recurring.
- Imposing sanctions on the Assessor, Tutor, Provider, Learner and/or staff member – if so,

these will be communicated in accordance with [CANI Sanctions Policy](#) along with the rationale for the sanctions selected.

- If certificates are deemed invalid, inform BCAB why they are invalid and any action to be taken for reassessment and/or for the withdrawal of the certificates. We will also inform the affected Learners, letting them know the action we are taking and that their original certificates are invalid and ask them, when possible, to return the invalid certificates to us.
- We will amend our records to make sure duplicates of the invalid certificates cannot be reissued.
- Amending aspects of our qualification assessment and/or monitoring arrangements and associated guidance to prevent the issue from reoccurring.
- Informing relevant third parties of our findings in case they need to act in relation to the issue.

In proven cases of malpractice and/or maladministration by an Assessor, Tutor, Provider, Learner and/or Staff member, we reserve the right to charge for any re-sits and reissuing of certificates and/or additional external monitoring visits. The fees will be the current prices for such activities, expense fees will be at cost for charges for time, please see the [Delivery Centre Fees document](#). In addition to the above we will record any lessons learned from the investigation and pass these onto relevant internal colleagues to help prevent similar instances of maladministration or malpractice from reoccurring.

If the relevant parties want to appeal against the decision to impose sanctions, refer to [CANI Appeals Procedure](#).

Timescales

We aim to act and resolve all stages of any investigation within 20 working days of receipt of the allegations, however, in some cases, the investigation may take longer. Once 20 working days have passed from the receipt of the malpractice or maladministration notification, the relevant person will either:

- update the relevant parties on progress and provide an indication of when the investigation may be completed (if the investigation has not yet been completed)
- or
- issue a summary of the completed investigation to the relevant parties
